

M-25 Automatic

ALPINE COLLECTION

The M-25 is the latest version of our Swiss-made Field Watch, with self-winding 2824-2 mechanical movement. The modern, solid stainless steel case showcases the gold-plated, 25 jewel movement and rotor through the glass display back. The beauty of traditional watchmaking with solid 21st century performance.

La nouvelle M-25 est la plus récente version de notre montre de sport classique suisse. Le boîtier en acier 316L est équipé d'un fond transparent, pour révéler le mouvement automatique 2824-2 dorée. Une montre qui combine l'art de l'horlogerie traditionnelle et la performance du 21e siècle.

Die neue M-25 ist die neueste Variante unserer klassischen Automatikuhr mit einem hochwertigen 2824-2 Werk aus der Schweiz. Das Gehäuse aus 316L Edelstahl mit Glasboden, erlaubt ein Blick ins Innere der Uhr. Eine herrliche Kombination aus traditioneller Uhrmacherkunst und moderner Leistung.
