

Professional & Coral Sea: A serious diver's watch with an unusually elegant dial. Superbly engineered for elegant style and unmatched reliability.

The Professional Series combines classic elegance with unmatched durability and functional engineering: a high precision Swiss-made quartz movement, 200M / 660FT waterproof rating, screw-down crown and scratchproof sapphire crystal. The case is sculpted from a block of solid 316L stainless steel, with gold-plated accents. This is a sleek and elegant sports watch, built without compromise.

Ultra-sportive par définition, la Professional allie à une élégance de grande classe une technique irréprochable synonyme de robustesse et de fonctionnalité: mouvement électronique Suisse de haute précision, étanchéité à 200 mètres, couronne vissée, glace saphir irrayable. Le boîtier est taillé plaqués en or. Une montre sportive, racée et élégante, réalisée sur base technique sans compromis.
