

STELLA MARIS

PERFORMANCE & FEMININE STYLE, REDEFINED

DIVE / WATERSPORTS

The Stella Maris continues the Momentum® tradition of ladies' dive watches that combine beauty and function. Engineered for the rigors of diving, yet beautifully executed with mother-of-pearl dial, diamond bezel marker, and matching stainless steel case and bracelet. Elegance and feminine style, guaranteed to a depth of 200M/660FT.

La nouvelle Stella Maris continue notre longue tradition de montres de plongée féminines, avec une rare combinaison de beauté et de robustesse. Conçue pour faire face aux exigences de la plongée, mais avec un cadran en nacre, un diamant subtil sur la lunette et un superbe boîtier/bracelet en acier poli. Élégance et style féminin, testée étanche à une profondeur de 200M.

Die neue Stella Maris beweist, dass eine echte Damentauheruhr trotzdem schön sein kann. Mit einem subtilen Perlmuttzifferblatt, einem Diamanten auf der Lunette, und einem auffallend schönen Gehäuse + Band Kombination aus hochpoliertem Edelstahl. Eleganz und weiblicher Elan, garantiert bis 200M.
